Note: waivers require approval of both the Instructor and the Dean. Only one signature is required for registration. Both signatures, however, are required before registration is final. Both signatures must be obtained no later than one week after the first class meeting of a course. In the absence of the Dean, the student's advisor, the Registrar, or the Director of Admissions may give waiver permission, but the permission requires final approval of the Dean. This waiver is not transferrable to other courses or terms without the explicit approval of the Dean.
