

The Role of the Synthesis Stage Supervisor in the Program for Priestly Formation

Join this one-day workshop, sponsored by the Archdiocese of Baltimore, designed to help pastors with their responsibility to supervise seminarians on their path to priesthood. Priests who will be called on to fulfill the supervisor role and vocation directors will benefit from learning more about this important, emerging role in the formation of priests. The day will provide detailed insights into the expectations and processes for evaluations by supervisors. Register now to be included in this one-day informational workshop.
